

Poster instructions

If you have been assigned a poster presentation, we kindly ask you to print it and bring it with you to the conference ready for display. Please present it to the reception upon arrival.

Format:

Portrait A1 - 594 mm x 841 mm (Width x height)

Requirements

Take advantage of the poster format by presenting the content of your paper in a more visible way. Avoid too large paragraphs of text, and consider that the poster should be readable from a certain distance. We also encourage you to include a small photo of you in the bottom right of the poster.
