

# The Floor is Yours!

Host your own discussion...

Dear participants,

We're aiming for more interaction and networking opportunities at this year's conference, even though we're all online. We have planned a 1 hour session in the programme, where several smaller discussion groups can meet.

So now we invite you to host your own discussion group, and you are free to choose the topic of interest (within the overall conference theme: Continuity and Adaptability in Design and Engineering Education) and how you run the discussion. The floor is open to all participants – not only those presenting papers.

The discussion is set to take place Friday, September 10<sup>th</sup> at 1 pm CET. Duration is maximum 1 hour.

Please send in your ideas asap [via this link](#).

**The deadline is August 23rd.**

The organising committee will review the ideas and you will receive notice at the end of August if you are chosen as host.

Look forward to hearing from you!

The E&PDE21 Organising Committee
