

Challenge Accepted!

Dear participants,

We're aiming for more interaction and networking opportunities at this year's conference, even though we're all online. We have planned a 1 hour session in the programme, where several smaller discussion groups can meet.

If you have an issue/topic/dilemma/challenge that you would like sparring on from the rest of the participants, then here's your chance. The session is open to all participants – not only those presenting papers, and you are not limited to topics regarding the conference theme.

You can send your topic just as a text or you can upload a video explaining the situation that will be shown at the event. We hope to be able to address 3-5 challenges during the session.

The session is set to take place Friday, September 10th at 1 pm CET. Duration is maximum 1 hour.

Please send in your ideas asap to mari@via.dk.

The deadline is August 23rd.

The organising committee will review the ideas and you will receive notice at the end of August if your challenge is chosen.

Look forward to hearing from you!

The E&PDE21 Organising Committee
